Penguins have made their home at Diamond Island for thousands of years. It's so good, they keep coming back.

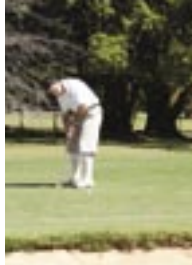

They have their kids here. It's a top spot for them – it's quiet, a hop, skip and a jump from the beach, a pleasant walk to start and finish the day, fresh seafood on the menu.

Diamond Island, 2 km north of Bicheno, is unique; four-star apartment accommodation in the middle of a seabird sanctuary.

OUR PRODUCE SUPPLIERS

It has one of the East Coast's top restaurants, Facets.

It has the East Coast's best conference venue, The Rookery.

Diamond Island has 26 self-catering private apartments, some with spas, all with satellite TV.

It has a tennis court, swimming pool and stunning views of the coast. The Freycinet and the Douglas-Apsley national parks are on the doorstep.

And it has this delightful troupe of non-paying guests every night, who will fascinate you and your kids.

At Facets we serve the freshest seafood and the best beef.

Abalone, scallops, mussels, oysters, crayfish and blue eye trevalla are fixtures on our menu because we source them all locally. Our Angus beef comes from the best cattle in the Tasmanian midlands and north-east. It is butchered locally and aged on the bone.

Facets features local reds and whites from the Freycinet and Spring Vale vineyards.

The Rookery conference centre, which accommodates up to 80 people, has state-of-the-art presentation facilities.
